MESSAGES FROM THE SENATE

[HB 4550](#)

(Espinoza)

House Bill 4550 would amend the sentencing guidelines for harming animals.

- The House concurred in the Senate substitute S-1 [RC 600: 104 yes, 4 no]

[HB 4551](#)

(Espinoza)

The bill (substitute H-4) would amend the Michigan Penal Code (MCL 750.50). Section 50 of the code prohibits various actions by an owner, possessor, or person having the charge of an animal that result in harm to the animal. One of the prohibited actions on the part of an owner, possessor, or person having charge of an animal is to willfully or negligently allow any animal, including one who was aged, diseased, maimed, hopelessly sick, disabled, or nonambulatory to suffer unnecessary neglect, torture, or pain. The bill would delete *willfully* and apply the prohibition only to those actions that were negligent.

- The House concurred in the Senate substitute S-1 [RC 601: 91 yes, 17 no]
